

Dear Race with Grace Participants,

Due to a power issue at today's race, we were not able to tabulate results on site. We are still working through some of the data, as well as waiting to be able to review video of the finish line.

Preliminary Age group and Team results that we were able to capture have been forwarded to the Race Director.

Please know we are doing everything we can to rectify.

We are truly very sorry for any inconvenience.

Respectfully,

Boots & Ellen
